ALL-COUNTY LETTER NO. 76-125

TO: ALL COUNTY WELFARE DIRECTORS

SUBJECT: WR 2 CHDP NOTIFICATION

REFERENCE: ALL-COUNTY LETTER #76-70

- It has recently been discovered that the wording of Item 22 A of Form WR 2 (Statement of Facts Supporting Eligibility for Public Assistance) is not entirely clear as to who may receive services under the Child Health and Disability Prevention (CHDP) Program.

All AFDC eligible persons, children and parents up to the age of 21 can receive CHDP services.

Item 22 A of the WR 2 will be changed at the next revision to read as follows:

"I/We want information about a free medical examination for persons living in my home.

\_\_\_\_\_ YES \_\_\_\_\_ NO

Children and parents, up to the age of 21, who are eligible for AFDC, are entitled to free periodic medical exams, dental checks, eye and hearing tests, blood tests and immunizations. Follow-up medical treatment will be provided if necessary. Your doctor or the local health department may provide these services to your family."

As noted in All-County Letter #76-70, federal regulation provides that recipients requesting CHDP services shall receive those screening services within a reasonable period of time normally not to exceed 60 days from the date of request. In the case of new applications the 60 days begins from the date of authorization for aid.

If you have any questions, please contact your AFDC Management Consultant at (916) 445-4458.

Sincerely,

A handwritten signature in dark ink, appearing to read 'Kyle S. McKinsey', with a stylized flourish at the end.
